## **Cartus Receives Supplier Premier Award from Eaton**

**DANBURY, Conn., (October 16, 2017)** – [Cartus Corporation](#), a leading provider of global relocation services, has been awarded a Supplier Premier Award by Eaton Industries, a global power management company. Awards were presented recently at Eaton's third annual Global Supplier Conference in Cleveland, Ohio.

Eaton works with 50,000 suppliers globally, and presented an award of excellence to just ten recipients. Its Supplier Premier Award honors a strategic partner that exhibits integrity, teamwork, accountability, positivity, and superior performance. This year's award recognizes Cartus staff in three regions – The Americas, EMEA and APAC – and a business relationship between the two companies that has been in place since 1986. Approximately 150 suppliers attended the conference in person and an additional 2,000 attendees joined via WebEx.

Steven White, Director of Global Account Management at Cartus, cited exceptional employee experience, innovative solutions, ethical conduct and diversity and inclusion among the many common focuses of the two companies' philosophies.

"We are very pleased to have received this prestigious honor from Eaton," said White. "Both of our companies exemplify dedication to our clients, and we are also dedicated to our partnership. We share a relentless desire to critically examine our own internal processes on a regular basis and then collaborate to achieve the best results. Collaboration is the reason we're able to operate at such a high level. We are grateful to Eaton for recognizing our part in that process and look forward to many more years of working together."

Michelle Vallejo, Senior Vice President, Account Management, Cartus, added, "Winning this award is a wonderful tribute to the spirit of partnership between Eaton and Cartus. At Cartus, we pride ourselves on providing flexible, innovative, and outstanding service, and this award is even more of an honor since it reflects goals that both of our companies share."

"Thank you to the Eaton team at Cartus for your continued support, engagement and partnership," said Úna O'Farrell, Global Category Manager Professional Services, Eaton Industries.
